1. What is your favorite memory of a loved one who is gone?
2. What do you want people to remember of you when you are gone?

#### Digging Deeper

3. Read Luke 22:1-20 or access Pastor David's message at [broadviewchurch.com/media](http://broadviewchurch.com/media).
4. In verse 2, the religious leaders wanted to put Jesus to death. Why do you believe Jesus was a threat to their power?
5. According to vv. 3-6, was Judas Iscariot's betrayal of Jesus simply a mistake or a well-thought-out plan? According to vv. 7-13, was the last supper something that simply happened or did Jesus carefully plan the evening?
6. What Satan intended for evil, God intended for good. How do we know that God's intentions overcame Satan's?
7. Of Jesus' birth, miracles, teachings, and death, which was the one thing Jesus explicitly asked his followers to remember (see v. 19)? Why do you think Jesus did this?

#### Bringing It Home

8. In v. 19, Jesus gave thanks for the bread, even though he would soon give up his body to be crucified. What is something you can be grateful for even during difficult times?
9. In v. 20, Jesus proclaimed that the cup is the new covenant in his blood. He also said that it is "poured out for you." Take a moment to express your gratitude for the blood of Jesus which cleanses us from our sins.
